

*The future looks
closer from here.*

NORTHERN ARIZONA  UNIVERSITY

Advance your career at the pace that's right for you. NAU's Personalized Learning platform offers you an affordable degree option with our innovative, fully online, flexible format. If you're ready to take your career to the next level, NAU is ready to provide an experience focused on you, where you build on your prior knowledge as you earn the respected degree you want. We will help you get where you want to be, with a path to your future that fits around your life and your career.

Meet Personalized Learning **Wednesday, June 21st 6pm - 8pm**

NAU invites you to join us on Wednesday, June 21st from 6pm - 8pm to learn more about our innovative Personalized Learning degrees in fields like - Computer Information Technology; Business; Nursing; and Liberal Arts. Meet our faculty and chat with students who are actively pursuing their degrees online in the PL program.

RSVP to: doug.small@nau.edu | 602-776-4618

Run to the challenge.

It's the combination of rigorous academics and personalized attention that sets NAU apart. At NAU, you can expect:

Affordable Tuition for a six-month term is set with no program fees, textbooks or extra costs.

Flexible You set the pace that is right for your learning needs. PL focuses on learning, not seat time.

Applied Learning Lessons are built around concepts and applicable learning outcomes with your experience factored into your degree path.

Mentor A personal faculty mentor is available to help you achieve success and provide support.

Innovative A cutting-edge user interface allows you to have access to all the resources needed to be successful.
